

EVENT RULES – GENERAL

- All event attendees must be 21 year of age, with a valid driver license, and sign the required release forms before participation or being on site of the event.
- Course rules are to be followed with personnel safety being the highest priority.
 - All attendees on the course facility will wear closed toe footwear.
- Registration of a vehicle in a category at an event will include one meal package.
 - Additional meal packages beyond the number of vehicles registered will be:
 - 1 - 2 over the number of vehicles entered will be at the prevailing package rate of:
 - the current rate for the Truck Rodeo is \$300/pp
 - the current rate for the Auto Roundup is \$225/pp
 - 3 or more over the number of vehicles entered will be at current rate +\$100/pp
- All branded handouts including media kits, hats, water bottles or other promotional material must be included in the media bags that are handed out as part of the registration process. No branded handouts from manufacturers with vehicles registered in any category should occur on site of the driving event.
 - *Vendors registered for the event may have branded material at their vendor space only.*

EVENT RULES – TRUCK RODEO

- A pop-up type canopy no larger than 10x10 is allowed on the edges of the in the staging area with or without a logo. Site location will be assigned on a first come bases after vehicle staging is complete.
 - This will make it easier to find vehicle representatives for questions or directions
 - Shade is often helpful due to the weather at the Truck Rodeo
 - Water availability is encouraged
 - There should not be any handouts other than water that is not in a branded container – see general rules regarding handouts.

EVENT RULES – AUTO ROUNDUP

- Due to the setup at the Texas Motor Speedway, canopies are not allowed.
